PART I

GENERAL

Proceedings of the Government of Mysore,

READ—

Letter No. 2152—174, dated 24th November 1899, from the Inspector General of Police in Mysore.

In forwarding herewith an application for gratuity on behalf of 1st class constable Francis of the Bangalore City Police, I have the honor to state that the applicant was a Military pensioner aged about 41 when he entered the service in 1883. He was found unfit for further service and retired on 10th March 1899 after a service of over 15 years. He was recommended for a gratuity for the service rendered by him. But the Comptroller has returned the Roll with the remark that the note under Article 235 of the Mysore Service Regulations can apply only to an inferior servant who had previously retired on pension from service under the Mysore Government (*vide* copy of his docket No. 1032—P. & A. 107, dated 22nd August 1899).

2. The Deputy Commissioner, Bangalore, argues that the note under Article 235 of the Mysore Service Regulations, as interpreted by the Comptroller, operates very hard on the subordinate staff in the Police Department and states that it is often necessary in the interests of the discipline of the Department to enlist as Police constables men retired from the Military Service and if these pensioners after a number of years' hard service are denied the consideration which pensioners of the Mysore Government are entitled to, on the ground that they do not belong to the same Government, appears rather hard upon the Military pensioners.

3. Though it is not distinctly specified in the note to Article 235, that the re-employment should be under the same Government by which the inferior servant was first retired on gratuity or compensation pension, I am not prepared to say that the Comptroller's interpretation is not correct. But I submit that it is very necessary that an exception should be made in favor of Military pensioners, who are entertained in Civil employ whether as Police constables or peons. In consequence of their service in the Army and the discipline and training they have undergone, it is a distinct advantage to enlist them in our service even after 40 years of age. On this ground, and in order to encourage such men to seek our service, it is desirable to exempt them from the operation of Article 235 altogether, and it is probably in this sense that the Comptroller himself qualified his interpretation by making it subject to the decision of Government.

4. I beg accordingly that the gratuity application may be forwarded to the Comptroller for audit.

No. 346—579-99, dated the 22nd January 1900, from the First Assistant to the Resident in Mysore, to the Secretary to the Government of Mysore, Revenue and General Departments.

Copy of the following letter forwarded to the Dewan of Mysore, for information, with reference to his letter No. 6874—Pol. 251, dated the 14th December 1899.

Letter No. Pen. V. 495—10869, dated the 16th January 1900, from the Accountant General, Madras, to the First Assistant to the Resident in Mysore.

With reference to your Memo No. 5871, dated the 23rd of December 1899, I have the honor to invite attention to Article 581 of the Civil Service Regulations, and to state that the Military Service being pensionable under a distinct set of rules, the restrictions imposed by Article 392 of the Regulations do apply to Military pensioners employed in the Civil Department.

No. 8932-33—P. & A. 745, DATED BANGALORE, 1ST FEBRUARY 1900.

ORDER THEREON—Military service, whether under the British or Mysore Government, being pensionable under a distinct set of rules, the restrictions imposed by Article 235 of the Mysore Service Regulations corresponding with Article 392 of the Indian Civil Service Regulations, should be held to apply invariably to the Military pensioners employed in the Police or any other Civil Department. The gratuity papers of Constable Francis will, therefore, be returned to the Inspector General of Police with the intimation that, under the circumstances, Government are unable to make an exception in this case.

EDUCATION

Proceedings of the Government of Mysore,

READ—

Letter No. 6436—289, dated 12th January 1900, from the Inspector General of Education in Mysore.

With reference to para 2 of Government Order No. 7096-7—Ed. F. 20-96, of the 20th December 1899, I have the honor to forward herewith a list of building works for which appropriations are required during the current year. It will be seen from the list that the works selected are those for which contributions exceeding Rs. 100 have been collected or promised, and also a few other important works required urgently, for which it is not possible to collect contributions from the villagers. The twenty-three works are estimated to cost Rs. 24,538 and this amount is exclusive of the Public Works Department establishment charges. The agency through which each of the works will have to be carried out can be settled after the standard plans and estimates are printed and after communicating with the Public Works Department and the Departmental Inspecting Officers. The appropriation required for each of the selected works cannot be determined at present. But the total amount of expenditure on these works will not exceed the available balance of Rs. 16,219 as shown in the Government Order quoted above.

Letter No. 6167—278, dated 10th January 1900, from the Inspector General of Education in Mysore, enquiring whether Sanskrit schools in villages may not be aided by Government from the Village School Fund, if the villagers interested should pay half the annual cost of such schools.

Letter No. 7273—326, dated 1st February 1900, from the same Officer.

With reference to your docket No. 8633—Ed. 326 of the 26th ultimo, I have the honor to inform you that the villagers of Aghalaya in the Krishnarajpete taluk have subscribed Rs. 600 in order to found a fund for the opening of a Sanskrit school in the village, the interest accruing from the fund being utilised towards the cost of the school. A good number of Brahmin boys is forthcoming in the village and the villagers seem to evince much interest in the education of their children. The services of a good Sanskrit teacher can be had for Rs. 15 a month. If the people of Aghalaya pay Rs. 90 into the Treasury in advance, I request that Government may be pleased to sanction a grant of Rs. 15 a month for a year, from the Village School Fund.

An application for a Sanskrit school was made recently to me, during my tour, by the Brahmins of Hemmige in T. Narsipur taluk. Personal applications are now and then made for Sanskrit schools by people living in villages. What is wanted is some general rule regarding the aid Government are prepared to give to such schools. No fees are collected in Sanskrit schools. The minimum number of students may be fixed at ten. If the people, as in the case of English schools in villages, pay half the salary of a Sanskrit teacher, which will vary from Rs. 7 to Rs. 15 a month according to qualifications, in advance for twelve months, to the credit of the Village School Fund, Government may give double the amount paid into the Treasury as grant to the school for a year from the same fund.

No. 9760—ED. 385, DATED BANGALORE, 23RD FEBRUARY 1900.

ORDER THEREON—No general rule seems for the present called for. Each application for grant-in-aid for Sanskrit instruction in villages will be dealt with on its own merits. In such schools a small fee may be levied from the pupils to defray contingencies.

2. In the case of the proposed school at Aghalaya, if the amount of subscriptions be increased so as to yield by deposit in Government of India Securities, or in the Government Savings Bank, Rs. 90 a year, an equal sum will be given from the Village School Fund as a grant-in-aid, so as to ensure the permanent maintenance of a master on Rs. 15 per mensem.

(1) Letter No. 694—63, dated Bangalore, 15th August 1899, from the Inspector General of Police in Mysore, to the Secretary to the Government of Mysore, General and Revenue Departments.

I have the honor to submit for the orders of Government copy of letter No. 493—152, dated the 2nd instant, from the Deputy Commissioner of Kolar, giving cover to Chikballapur Sub-Division Officer's No. 38, dated the 25th July 1899, bringing to notice the arrest on 17th July 1899, without a warrant, by a Head Constable of the Kodikonda Police Station of the Hindupur taluk, of a Mysore subject named Banajigar Dastagiri, in the village of Augatamudike of the Bagepalli taluk, for an offence under Section 406 of the Indian Penal Code.

2. It will be observed from the Chikballapur Sub-Division Officer's letter referred to above and its enclosures that the Head Constable of the Hindupur Police, besides making the illegal arrest of the accused person, appears also to have made a search of his house through one of his constables (the Daffadar and a constable of the station being present), and on finding a gold bangle alleged to belong to the case, produced the same with the accused before the Amildar-Magistrate of Bagepalli taluk for remand, &c. The latter Officer noticing that the arrest, without a warrant, by the Madras Police was irregular and in contravention of the * orders of the Madras Government communicated in Mysore Government Proceedings No. 6226-35—J. 668, dated 18th November 1898, seems to have rightly enlarged the accused on bail and directed the Head Constable of the Madras Police to obtain a warrant, for the re-arrest of the accused, from a competent British Magistrate.

* 1442, dated 30th September 1898.

3. As the Head Constable appears to have pleaded ignorance of the Standing Orders of the Madras Government, prohibiting arrests by the British Police, without a warrant, in Mysore Territory, I would request the favor of the matter in question being brought to the notice of the Madras Government through the Resident in Mysore.

(2) Letter No. 3256—J. 285, dated 1st September 1899, from the Secretary to the Government of Mysore, to the First Assistant to the Resident in Mysore.

I am directed to forward a copy of letter No. 694—65, dated 15th August 1899, from the Inspector General of Police in Mysore, with its enclosures in original (to be obligingly returned), bringing to notice that the Station Officer of Kodikonda (Madras) made an arrest and search of a house followed by seizure of property on the 17th July 1899 in the village of Angutamudike (Mysore), without the authority of a warrant from a competent Magistrate, for an offence under Section 406, Indian Penal Code, alleged to have been committed within his station limits. The action of the Kodikonda Police appears, under the circumstances, to have been irregular though it must be admitted that the local Police Officer (Dafadar of Patapalya) was present and seems to have assisted in the arrest, search and seizure. In this connection, I beg to invite a reference to the correspondence ending with your letter No. 5679—320-98, dated the 22nd October 1898, which lays down the procedure to be observed in such cases.

2. I am to request that the irregular proceedings of the Kodikonda Station Officer may be kindly brought to the notice of the Madras Government for such action as may be thought necessary.

(3) Memorandum No. 404—369-99, dated 24th January 1900, from the First Assistant to the Resident in Mysore to the Dewan of Mysore.

Copy of the following letter forwarded for information, with reference to his letter No. 3256—J. 285, dated the 5th September 1899, the original enclosures of which are herewith returned.

(4) Letter No. R. 63, dated the 18th January 1900, from the Chief Secretary to the Government of Madras, Judicial Department, to the Resident in Mysore.

I am directed to acknowledge the receipt of your letter of the 8th instant, No. 76, enquiring if any steps have been taken regarding the irregular proceedings on the part of the Station-house Officer of Kodikonda in arresting, without a warrant from a competent Magistrate, a Mysore subject accused of an offence under the Indian Penal Code.

2. In reply, I am to state that the Police Officer concerned has been removed from the charge of Kodikonda station for incompetency, and that, to guard against any repetitions of such irregularities in future, a vernacular copy of Police Order No. 115 indicating the procedure to be observed in regard to arrests in Foreign Territory has been placarded in each of the stations bordering on the Mysore frontier.

No. 9138½—J.834, DATED BANGALORE, 9TH FEBRUARY 1900.

ORDER THEREON—Recorded.

2. The conduct of the dafadar of Patapalya was unsatisfactory and the Inspector General of Police should issue such instructions as will prevent a repetition of the same.

Letter No. 460, dated the 30th January 1900, from the Inspector General of Registration in Mysore, soliciting sanction to certain seriatim arrangements made by the District Registrar of Mysore, in the Sub-Registry office at Chamrajnagar during the absence on sick leave, for 7 months and 26 days, of the 1st clerk Naranappa of the said Sub-Registry office.

No. 9478-79—J. 875, DATED BANGALORE, 17TH FEBRUARY 1900.

ORDER THEREON—The seriatim arrangements recommended by the Inspector General of Registration are sanctioned as a special case.

2. The Inspector General will be requested to draw the attention of all District Registrars to Article 89 of the Service Regulations under which the special sanction of Government should be obtained before seriatim arrangements of the kind under advertence could be made. Government deprecate the practice of their sanction being anticipated in such cases.

3. With reference to the description of Krishnappa as a volunteer in the District Registrar's letter, the Inspector General is requested to point out to him the irregularity of employing volunteers in public offices—a practice which has been prohibited in Government Proceedings No. 201-42—P. F. 5-93, dated the 30th June 1893.

Correspondence ending with docket No. 610, dated 25th January 1900, from the Superintendent, Government Press, submitting explanation for having, by mistake, printed 12,800 copies of the Kanarese translation of the Village Sanitation Regulation instead of the same number of copies of the Rules framed thereunder.

No. 9302-41—LEGIS. 139, DATED BANGALORE, 13TH FEBRUARY 1900.

ORDER THEREON—Government observe that the Manager of the Press Office is primarily responsible for the mistake. He should be censured for the negligence which has caused this mistake and the consequent loss to Government. A note of the same should be made in his Service Register.

2. The copies printed, by mistake, should be carefully preserved and issued as requisitions are made by the Deputy Commissioners of Districts.

3. A copy of all printed matter required to be re-printed should invariably be sent to the Press. But in this case the omission cannot be urged as an excuse, as what was required to be printed was a set of Rules published and well known to the Press. If the Manager had any doubts, he should have asked for a copy.

L. B. B.—MUNICIPAL FUNDS

Proceedings of the Government of Mysore,

READ—

Correspondence ending with letters Nos. 37 and 406, dated 28th August and 11th November 1899, respectively, from the President of the Municipal Commission, Bangalore City, in regard to the claim preferred by that body for compensation in connection with certain municipal lands taken up for railway purposes.

No. 8955-6—L. F. 24-95, DATED BANGALORE, 2ND FEBRUARY 1900.

ORDER THEREON—Government are unable to recognize any claim on the part of the Municipality for compensation on account of lands required for public purposes. Not only is such a claim as against the Government inconsistent with the conditions upon which rests the Municipal Commission's title to municipal land, but it also ignores the fact that lands required for extensions of the City have been and are being *freely* alienated by Government in favor of the Municipal Commission.

SANITARY WORKS DEPARTMENT.

Report to accompany estimate of the probable cost of working and maintenance charges of the Vani Vilas Water-Works for the Mysore City for the year 1899-1900.

REFERENCES.

The present estimate amounts to Rs. 9,072 against Rs. 6,464 sanctioned for the last year. The excess Rs. 2,608 is explained as follows :—

		Rs.
(i)	Provision for the cost of overhauling and resetting the turbines and pumps found necessary after the lapse of four years since the machinery began to be worked.	1,098
(ii)	Ditto for a spare crank shaft to be obtained from England to be kept as a reserve to re-place breakage.	950
(iii)	Extra cost provided over last year's estimate for petty repairs to the rising and delivery mains, valve house, machinery and feed pipes, &c.	200
(iv)	Charges on account of medicines and medical attendance for the pumping staff stationed at Belagola, which is a very unhealthy place.	360
	Total ...	2,608

The first two of the above items are special charges and will occur over periods of three or four years.

5. No. 276, dated the 7th October 1899, from the President, Municipal Commission, Mysore City, requesting sanction for the revision of house-tax in the City on the basis of the rental value and further for the levy of water-tax at 2 per cent of the rental value.

No. 9412-4—L. F. 103-92, DATED BANGALORE, 15TH FEBRUARY 1900.

ORDER THEREON—The Government are pleased to make a free gift of the Vani Vilas Water-Works to the Mysore City.

2. Considering that the Municipality has paid nothing towards the construction of the said works and that the annual cost of maintenance thereof (including the additional distribution works hereby ordered to be transferred to the Municipality) is comparatively small, the Government trust that the Municipality will find it possible to maintain the works and keepup permanently a proper distribution from its ordinary income, which can, if necessary, be revised, without having to impose a special water-rate for the purpose. If, however, the Municipality is really unable to provide the necessary funds as above, the Government will then be prepared to consider the desirability of imposing a water-rate.

3. The maintenance charges for 1898-99 (inclusive of the excess charge reported by the Chief Engineer) are remitted as a special concession. But the Board will distinctly understand that no further concession of this kind will be made for future years.

4. The charges for 1899-1900 will be calculated with effect from the 1st July 1899 without reference to the date on which the management may be actually assumed by the Municipality or to the levy of any special water-rate by it. The estimate for Rs. 9,072 for the year 1899-1900, submitted by the Chief Engineer is sanctioned, with the remark that the actual outlay incurred should be reported at the close of the year for recovery from the Municipality.

5. The payment on account of maintenance charges should include the cost of working the Pumping Station as also of the up-keep of the Kukerhalli reservoir whether or not the Board is able to take over the management of these immediately.

6. The house-tax can of course be revised on the basis of the rental value, as proposed by the Municipal Board, who will take the necessary steps for the purpose at the earliest opportunity.

I have the honor to submit herewith a copy of letter No. 390, dated 28th November 1899, from the Superintendent, Government House, Mysore, stating that he has given orders to impound stray cattle in the Government House compound and collect fines from the owners and to report that the Superintendent acted illegally in having detained the cattle and levied fees on account of them in the absence of special authority or of a pound duly established under law. I may add there is a Municipal pound within 500 yards of the Government House compound.

No. 9520-2—L. F. 375-92, DATED BANGALORE, 19TH FEBRUARY 1900.

ORDER THEREON—Government observe that the action of the Superintendent in issuing orders directing the impounding of stray cattle in the Government House compound and the collection of fines from the owners thereof, was illegal. 2. The attention of the Deputy Commissioners of the Bangalore, Tumkur, Mysore, Hassan and Shimoga districts is drawn to the large number of darkhasts remaining undisposed of in the taluks of Kankanhalli, Gubbi, Gundlupet, Krishnarajpete, Mandya, Malvalli, Manjarabad and Tirthahalli taluks. The oldest darkhasts pending is in the Manjarabad taluk and is dated 15th February 1892. In the statement for the previous quarter this identical darkhast was shown as dated 15th March 1892. It should be explained which of the dates is correct and whether any or, if so, what action was taken by the Deputy Commissioner towards the prompt disposal of this darkhast as required by G. O. No. 3132-9 —R. 997, dated 20th October 1899.

3. In conclusion, the Government regret to observe that since the passing of their orders on the statements for the previous quarter there has been no improvement whatever in the prompt disposal of darkhasts and to note that all the districts except Kadur, Kolar and Tumkur show an increase in the number of darkhasts pending for two years and more.

The above figures show that the collection work does not compare favorably with that of the last year in the Tumkur, Mysore and Chitaldrug districts.

4. Collections, as shown by the Deputy Commissioners, differ from the Comptroller's figures to the extent noted below :—

District.	As per Deputy Commissioner's returns.	As per Comptroller's returns.	Difference.

Chitaldrug	3,883	4,604	—721

These differences should be adjusted early, in communication with the Comptroller, if necessary.

5. The balances remaining uncollected in the Mysore, Shimoga, Hassan and Kolar districts are very heavy and demand the early attention of the Deputy Commissioners concerned.

6. The details of balances called for in Government Proceedings No. 1167-74—413, dated 25th July 1895, have not been shown in the returns received from the Deputy Commissioners of all the districts except Kadur and Tumkur. This information should be invariably shown in future returns.

Correspondence ending with letter No. 340, dated 25th November 1899, from the Deputy Commissioner, Kadur district, soliciting sanction to the appropriation, for cardamom cultivation on garden rate of assessment, of 6 acres and 26 guntas of land out of gomal Survey No. 266 (Phod No. 347) in the Urbage village, Banakal hobli, Mudgere taluk.

No. 6079—R. 1944, DATED BANGALORE, 22ND FEBRUARY 1900.

ORDER THEREON—As this application for land for cardamom cultivation on garden assessment has evidently been made with the object of evading the restrictions regarding the minimum extent prescribed for grants of land for cardamom cultivation, the Government decline to sanction the Deputy Commissioner's recommendation.

Correspondence ending with letter No. 580—487, dated 3rd January 1900, from the Deputy Commissioner, Shimoga district, regarding the retirement from service of A. Narayan Rao, Head Munshi, 2nd Assistant Commissioner's office, Shimoga district; and

(2) Petition, registered No. 171 R., dated 21st July 1899, received from A. Narayan Rao, praying for further retention in service on the ground that he is only 52 years of age

No. 6101-2—R. 1961, DATED BANGALORE, 22ND FEBRUARY 1900.

ORDER THEREON—In his letter of the 13th July 1899, the Deputy Commissioner recommended the retirement of A. Narayan Rao, with effect from 1st August 1899, as he had completed 55 years of age and had been reported to be unfit for further service.

2. In his petition to Government above referred to, Narayan Rao represented that he was only 52 years old, that in his Service Register the date of his birth had not been entered in the column provided therefor, that the year of his birth as entered in the Schedule of Establishments, *viz.* 1844, was wrong, and that as his testimonials showed that he had been rendering approved service since 1872 he might be retained in service for some years more.

3. The Deputy Commissioner, in submitting the Service Register of Narayan Rao, reports that the omission to enter the date of birth in the register is not explained and that the petitioner's allegation that neither he nor his guardians at the time are responsible for the date of his birth, as entered in the Schedule of Establishments, is unworthy of credit.

4. The several testimonials, which Narayan Rao has produced, are greatly in his favor and testify to his usefulness till 1896. He could not have collapsed so completely within the remaining short period of two or three years. It is inexpedient now to go into the question of his age and, under all the circumstances of the case, Government deem it equitable and in accordance with the declared policy of Government to allow his retention in office for a further period of two years, *i. e.*, till the end of June 1902.

(1) *Letter No. 591, dated 25th February 1898, from the Deputy Commissioner, Kadur District.*

Has the honor to state that on the application of Mr. Lund of Balur Estate, a Coffee Title Deed No. 9—454 was obtained from the Survey Department for the marginally noted survey numbers which were sold in 1888-89 and 1889-90 by public auction to Saldanha and others, under Coffee Rules, for Rs. 1,146, in the Banakal village, Mudgere taluk, and the Title Deed is lying in this office for delivery to Mr. Lund, pending payment by him of the stamp duty of Rs. 15 plus the title deed fee of Re. 1=Rs. 16.

Survey Nos.	Purchaser in Government auction.	Subsequent private purchaser.
8	... Mr. P. F. X. Saldanha in 1889-90	... Mr. Lund in 1894-95.
9	... Rajeram Gauda, son of Basave Gauda in 1888-89.	... Ditto
11, 12, 47, 48, 49	Mr. P. F. X. Saldanha in 1889-90	... Ditto

2. Mr. Lund in his letter of the 9th instant, objects to pay the stamp duty on the score of his having bought the land from the original purchasers from Government under duly registered conveyance for Rs. 6,000.

3. The view of this office has been that under para 2 of Government Order No. 854—64-3 of the 19th April 1886, stamp duty was leviable in cases of the above nature as purchasers from private parties stand in the position of the parties who have already become purchasers in Government auction and who have not had any such Title Deeds issued to them. In the present case, Mr. Lund has taken the place of the original purchasers of the lands in question in public auction.

4. The above view may be correct, but the language of the Government Order above referred to does not seem to the undersigned expressly to apply to cases in which the land is transferred by sale from an original purchaser, the direction being in regard to Title Deeds granted for lands *newly taken up* for coffee cultivation. This being so, and the question involved being one of general importance, undersigned submits the point for the decision of Government.

5. Mr. Lund's letter on the subject is enclosed.

Enclosure to the above.

Letter from Mr. Lund, dated 9th February 1898, to the Deputy Commissioner, Kadur District.

I am in receipt of yours of the 4th instant *re* the Banakal Title Deed. It is an error to suppose as stated in your letter that I purchased the lands at public sale for the sum of Rs. 1,146. I purchased the lands by private contract for Rs. 6,000 and paid Rs. 30 stamp duty. From the copy of Government Proceedings No. 854-64—38, dated 19th April 1886, which you have been good enough to send me, it appears I am not called upon to pay stamp duty, as the Deed is simply a record of the terms on which I hold the lands under Government. My title to the said lands is given by the vendors, and the Government Deed gives me no title but merely grants me certain privileges on condition I pay certain taxes. These privileges can be easily proved without the Deed, if necessary; therefore, the Deed is of very little value to me, and should I be called upon to pay another Rs. 16, I beg to be allowed to withdraw my application.

(2) *Letter, dated 28th March 1898, from the Government Advocate in Mysore, to the Secretary to the Government of Mysore, General & Revenue Departments.*

With reference to your letter No. 8931—R. 2927, dated 21st instant, I have the honor to state that verbal transfers of property are valid. There is no legal necessity to perfect the purchaser's title.

With reference to the letter of the Deputy Commissioner of Kadur, I am of opinion that Title Deeds issued to lands newly taken up for cultivation should be stamped and not the Title Deeds issued to persons claiming by sale or otherwise through persons who had already taken up the lands from Government.

The original letter of Mr. Lund is herewith returned.

(3) Letter No. 1261, dated 17th June 1898, from the Deputy Commissioner, Hassan District.

With reference to your docket No. 9659—R. 3157, dated 6th April 1898, calling for a report as to whether any stamp duty is being levied on Coffee Title Deeds and whether they are registered and, if so, under what authority, I have the honor to state that no stamp duty is being levied in the district upon Coffee Title Deeds as they are simply treated as pattas exempted from stamp duty under 6 (*c*) of the second schedule to Notification No. 1, dated 13th June 1890.

2. The Coffee Title Deeds are not being registered as they come under clause (*d*) of Section XC of the Registration Act. The enclosures to the docket under reference are herewith returned.

(4) Letter No. 2229—75, dated 29th September 1898, from the Registrar of the Chief Court of Mysore, to the Secretary to the Government of Mysore, General & Revenue Departments.

With reference to your letter No. 573—R. 237, dated 21st July last, I have the honor to forward herewith, a copy of the opinion of the Judges of the Chief Court of Mysore in referred Case No. 1 of 1898-99.

Enclosure to the above.

IN THE CHIEF COURT OF MYSORE AT BANGALORE, WEDNESDAY THE 21ST DAY OF SEPTEMBER 1898.

PRESENT:

Mr. Justice A. Ramachandra Iyer, Officiating Chief Judge, Mr. Justice C. Meenacshaiya, Judge, and Mr. Justice T. Narahari Row, Officiating Judge.

Referred Case No. 1 of 1898-99.

In the matter of a reference *from the Secretary to the Government of Mysore, asking for a ruling of the Chief Court as to whether a purchaser from the original purchaser from Government of coffee land under the Coffee Rules is not bound to pay stamp duty as for a conveyance for the consideration originally paid to Government.

*Letter No. 573—R. 237, dated 21st July 1898.

This case coming on for disposal this day, upon perusing the case, as stated by the Secretary to the Government of Mysore, the Court pronounced the following:—

OPINION:

We are of opinion that a Coffee Title Deed is liable to stamp duty, whether the person who applies for the document is a purchaser from Government or one who has acquired the rights of the said purchaser. The rules which relate to the grant of Coffee Title Deeds afford no ground for making a distinction between the purchaser from Government and his transferee. We think that para 2 of the Order of Government, dated 19th April 1886, refers simply to grants made under the new rules and that a distinction is made between pattas and Title Deeds and not between purchasers from Government and their vendees.

No. 6183-92—R. 1997, DATED BANGALORE, 24TH FEBRUARY 1900.

ORDER THEREON—The Deputy Commissioner, Kadur district, is referred to the ruling of the Chief Court cited above, and he is requested to act in accordance with it in the matter of the refusal of Mr. Lund to pay the stamp duty in question.

A. 119, dated 6th instant, from the Comptroller to the Government of Mysore, requesting orders of Government as to whether any travelling allowance is admissible generally to the officials deputed for the work of the Special Khaneshumari ordered in Government Proceedings No. 7601—R. F. 46-97-98, dated 24th April 1899, and in particular to officials of departments other than those specified in para 9 of the said proceedings.

F. 46-97-98, dated 24th April 1899. Such travelling allowance should be passed also in the case of officials of departments other than those specified in para 9 of the said proceedings, as this specification was not intended to preclude the Deputy Commissioner availing himself of the services of such officials in any locality where their official superiors could afford to give him the help desired. ORDER THEREON—Government are pleased to authorize Deputy Commissioners to make to inamdars, entitled to toddy revenue, advances for the year 1898-99, similar to those ordered for previous years, particular care being taken to see that the amount advanced does in no case exceed the toddy revenue actually due to the inamdar. These advances will, as heretofore, be subject to future adjustment, and the tree-tax together with local cess thereon should be excluded from the amounts advanced, pending the final decision of Government on the question.

2. The Excise Commissioner is requested to submit, at an early date, a consolidated statement showing particulars of revenue due to inamdars and the amounts actually advanced to them for each year up to date.

The following letter No. 2163—131, dated 3rd January 1899, from the Conservator of Forests in Mysore.

In continuation of para 4 of my letter No. 3052—168, dated the 21st December 1897, I have the honor to submit three copies of a Working Plan for the Tegurgudda State Forest in the Kadur district, for the information of, and ratification by, Government together with the map illustrating the report.

2. The data on which fellings will be based are similar to those prescribed for the Muthodi State Forest and it will be observed that I have been very careful to restrict the fellings so that a sustained yield may be confidently relied on. If we can only secure natural regeneration of the better, and sale for the inferior descriptions, the forest in question under proper management should prove of permanent and increasing value as years go by.

No. 5953—FT. F. 3-97, DATED BANGALORE, 16TH FEBRUARY 1900.

ORDER THEREON—Recorded, with the remark that the Working Plan submitted with the above is approved.
